

INTERVIEW NOW

Your Remote HR & Hiring Partner

WHAT WE DO ?

We are a specialized headhunting company used to source candidates for juniors, seniors or other highly specialized positions in your organization covering the full spectrum of permanent IT and Non IT recruitment across all business sectors, nationwide. Our continued growth is driven by our core values of commitment, flexibility and quality.

WHY INTERVIEW NOW ?

01

An extensive candidate database is maintained and developed at Interview Now

02

We have In-house inventory of Passive candidates. These Successful candidates are in high demand and hide their identity. It is the InterviewNow who research the companies and target these candidates through various Headhunting techniques and fill the positions.

03

We have experienced Team leaders, who as key account manager, are single point of contact for each clients

04

We use various combination of face to face personnel meetings, Phone interviews , reference check and skill test to identify and screen the candidate.

Search Methodology

- HEADHUNTED DATABASE
